- 1 This Policy is issued on the basis of information in *your* application or provided in connection with *your* application, which includes:
  - a The eligibility requirements for the coverage purchased as specified under the heading Eligibility in this policy wording; and,
  - b Any questions asked at the time of application or at any other time that *your* coverage is modified.

When completing the application and answering any questions asked, the answers must be complete and accurate. If *you* were not eligible for coverage as specified under the heading Eligibility in the policy wording and/or if any of the answers are found to be incomplete or inaccurate, *your* coverage will be void, which means that any claim submitted will not be paid, and *your* premium will be refunded.

- 2 If *you*, any person insured under this Policy or anyone acting on *your* behalf fails to disclose any material fact or makes a fraudulent, false or exaggerated statement or claim, *your* coverage will be void, which means that any claim submitted will not be paid, and *your* premium will be refunded.
- 3 **Subrogation** — *We* will not subrogate against any extended benefit plans if the lifetime maximum limit for all in-country and out-of-country benefits under that plan is currently \$100,000 or less. If the lifetime maximum limit under that plan is greater than \$100,000, *we* may exercise *our* right to subrogate, but, if applicable, *we* will limit *our* subrogated claim to the extent required to preserve \$50,000 of the lifetime limit available under that plan, except in the event of *your* death.

If compensation is or will be available from a third party for any payments made by *us* under this Policy, *we* have the right to subrogate to recover those payments. *We*, at *our* own expense, can file a suit in *your* name for that purpose and *you* authorize *us* to do so. This right of subrogation is in addition to and does not limit any other right of subrogation existing under common law, equity or statute. Further, if *you* make any claim against a third party related to payments that *we* made under this Policy, *you* will include the amount of those payments in *your* claim against the third party. If *you* obtain compensation for a portion or all of the included payments *we* made, *you* must immediately remit that compensation to *us*. *You* understand that *you* shall do nothing to prejudice *our* rights of subrogation, which includes not releasing third parties from liability without *our* express written agreement.

If any other valid insurance is also an excess insurance, *we* will coordinate benefits of all eligible expenses with that insurer. All coordination follows the guidelines set by the Canadian Life and Health Insurance Association.
- 5 *You* may not claim or receive more than 100% of *your* total covered expenses. This general condition does not apply to Accidental Death and Dismemberment.

- 16 If requested by *us*, *you* must furnish or consent to the release of *your* medical records for the relevant period before the effective date of the Policy and/or during the term of the insurance required in order to determine if the claim is payable. Failure to produce these records will invalidate *your* claim.
- 17 In the event of a claim, upon request, *you* will establish the date and time of departure and initially planned date of return of the trip.
- 18 *You* shall be responsible for the verification of any *hospital* and medical expenses incurred and shall obtain itemized accounts of all *hospital* and medical services which have been provided.

- 24 This Insurance provides no coverage and no *insurer* shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such coverage, payment of such claim or provision of such benefit would expose that *insurer* to any sanctions, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.
- 25 *We* shall not reimburse any interest charges accrued by *you*.
- 26 If *you* are a US citizen, *you* may have an obligation to purchase insurance under the Affordable Care Act ("ACA"). This policy is not subject to the ACA and is not intended to fulfill individual obligations to purchase health insurance coverage under the ACA. Please contact *your* tax adviser or lawyer if *you* think the ACA obligations may apply to *you*.
